

SCHEDULE OF REVIEW ITEMS (Completed by Applicant)				<u>LTA's Official Reply</u>
S/n	Description of Requirement	Provision made on plan	Reasons in support of the application	
	Proposed 37 car parking space	37 Car parking	Retention of approved 33 car lots provision of 2 handicap lots and 4 additional lots to efficiently use the new car park levels.	<p>Supported/not supported</p> <p>Remarks:</p> <p>Parking geometric layout for the car lift operation does not comply with the COP. Proposed car park lots has also exceeded the requisite provision. Can only retain existing 33 car lots.</p>
